- J. Weaver reports arrest statistics, as related to drugs, over the last three years:

	<u>2004</u>	<u>2005</u>	<u>2006</u>

Cocaine	6	4	1
Meth	25	27	11

- L. Burgess reports that she did send a note of gratitude to SSVEC and she provided the PSAs to the radio station (99.1) in Safford.
- D. Walker reports that the Partnership will be releasing a new meth campaign. Once available, the material will be distributed.
- The Meth Summit took place on January 10th and 11th. It was a two day work session, which allowed for some potential new ideas for treatment options for the community and networking, but did not provide any new information to bring back to the MTF.
- D. Walker discussed the possibility of training lay persons on the "Matrix Treatment Model" to bring a potential treatment opportunity to Willcox. It was agreed that liability and screening of volunteers would be too difficult. **D. Walker will follow-up with SEABHS and Three Springs to see if they would be interested in providing these services in Willcox.**
- S. White reports of another potential treatment facility that does have 3 beds available for adolescents at the LaCanada Treatment Center.
- WASA report given by S. White. Next WASA meeting will be on the 13th. Friends of WASA night will take place on the 20th. Career Day will be March 14th. A \$10K grant has been received. The Youth Summit will take place on May 1st and 2nd.
- The next meeting will be March 1st at 12 noon at the WPD.
