

METH TASK FORCE MEETING NOTES

January 10, 2008

Present: E. O'Connell, K. Skaarer, D. Walker, J. Weaver, S. White, K. Wiseman

- No Community Presentations to discuss. **S. White and K. Skaarer will follow-up within the school system to determine when another presentation can be given to teachers and students.**
- L. Burgess was able to obtain a grant from Bowie Power for \$250.
- Reviewed letter to be sent to State representatives and changes made. **D. Walker to make changes and bring for approval and signatures at next meeting.**
- D. Walker reports that letters for the Yak and for the Lariat have been submitted.
- S. White gives the WASA report. Youth Court and Message Theater continues to be active. Friends of WASA night will be March 25th. Prom will be April 26th and April 25th will be the mock drunk driving accident.
- K. Wiseman has more anti-meth posters. D. Walker will follow-up with "The Springs" to provide them with some anti-meth campaign posters.
- J. Weaver reports of another meth lab bust in Willcox in November. A law enforcement internet front was being used to purchase meth precursor chemicals which directed law enforcement to the lab.
- J. Weaver reports of 2007 Drug Stats:

	2007	2006
Marijuana	26	29
Cocaine	7	1
Meth	15	11 (Still down from '03 and '04)
Prescription Drugs	3	2
Juvenile Arrests	131	99
Juvenile Charges	253	193

- Considerable time is spent discussing the pros, cons, and possibility with obtaining and maintaining a privately run meth treatment center.
- The next meeting will be February 14th at 12 noon at the WPD.
